

## **Notification of INTERNATIONAL ROAD TRANSPORT in the register of SENT declarations - RMPD Register (Register of International Road Transport)**

When international carriage of goods by road as referred to in Article 28 (1) and (1a) of the Road Transport Act and cabotage transport as referred to in Article 29 is carried out by an entity established in a non-EU and EEA country, **the foreign carrier performing the transport:**

- on the basis of a permit to perform international road haulage;
- on the basis of a multilateral ECMT permit;
- without permit - liberalised transport on the basis of bilateral agreements with the Republic of Poland or transports that do not require a permit, such as those performed under the Agreement between Ukraine and the European Union of 29 June 2022 *on the carriage of freight by road*;
- on the basis of a cabotage authorisation issued by administrative decision by the General Inspectorate of Road Transport.

**is obliged, prior to the commencement of transport within the territory of the Republic of Poland, to send to the register of notifications referred to in the SENT Act<sup>1</sup>, a notification of such transport.**

According to the new regulations, the obligation to register in the SENT system will apply:

- **as of 1 November 2024** - hauliers who are not established in an EU Member State, the Swiss Confederation or an EFTA Member State,
- **as of 1 January 2025** - carriers from other EU Member States, the Swiss Confederation or EFTA Member States. These are entities that perform road transport on the territory of Poland to or from a non-EU country on the basis of a permit required by the provisions of an international agreement binding Poland and that country.

Three dedicated forms have been created on the PUESC platform at <https://puesc.gov.pl/> in the 'forms' section:

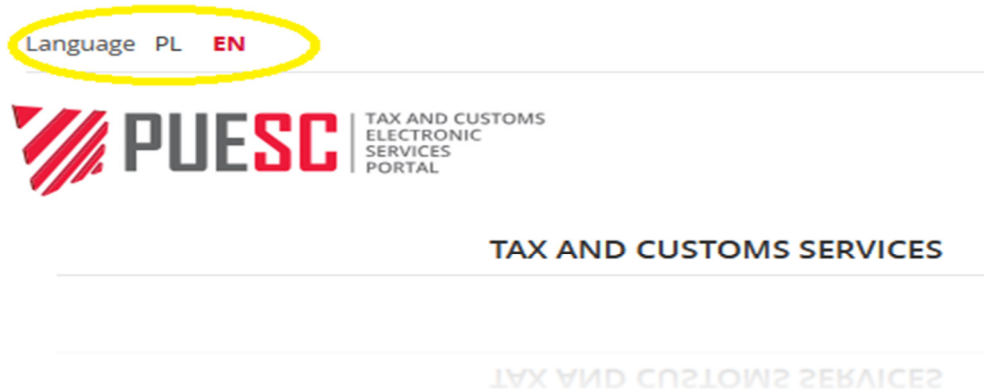

- **RMPD100** – Registration of the notification of the carriage of goods
  - **RMPD** – Update
  - **RMPD406** – Checking the validity of transport report with last GPS position [RMPD]
- ✓ Forms are now available on the test platform at <https://test.puesc.gov.pl/> → at any time to 'try out' how it works
