

## CALL FOR EXPRESSION OF INTEREST – HIGH-LEVEL INVESTMENT CONFERENCE

### Smart Growth, Green Future: Accelerating Investment in Montenegro

The Chedi, Luštica Bay  
14 – 15 October 2025

Dear Colleagues, dear Partners,

Join us for a high-level investment conference to accelerate **green, sustainable and value-added investment** in Montenegro, focusing on **renewable energy, sustainable agribusiness, tourism, transport, and information technology**. Positioned within the broader context of Montenegro's path toward **EU accession**, the event seeks to strengthen the country's role as a regional hub for green and digital investment in the Western Balkans.

The event will bring together **Milojko Spajić**, Prime Minister of Montenegro, senior representatives from the **European Commission**, and leaders from **international organisations** and companies across Europe. We will explore **strategic investment opportunities** in Montenegro, advance **regulatory reforms**, and build **impactful partnerships**. A particular focus will be placed on investments that align with the EU Green Deal, sustainable development goals, and Montenegro's integration into the European single market.

Spaces for this exclusive conference are limited. If you are interested to participate you may apply by clicking [here](#).

For any further questions related to the conference you may write to [contact@aimconference2025.org](mailto:contact@aimconference2025.org).

We look forward to your engagement in shaping a **future-ready, inclusive, and innovative economy** for Montenegro and the Western Balkans.

## **12:45 – 14:00 Networking lunch & exhibit visits**

## **14:00 – 15:15 Unlocking sustainable agribusiness & tourism in Montenegro**

### **Overview:**

Agriculture, tourism, and forestry are core pillars of Montenegro's economy. This panel examines how sustainability-focused practices, value chain integration, and green certification can create synergies across these sectors. The discussion will focus on aligning high-value agri-food production, sustainable forestry management, and eco-tourism to support inclusive growth and export diversification.

### **Speakers:**

- **Simonida Kordić**, Minister of Tourism, Montenegro
- **Dragan Bokan**, CEO, Voli
- **Ilija Moric**, CEO Moric Farm
- **Martina Dalić**, President of the Management Board of Podravka Inc

### **Moderator:**

- **Richard Record**, Lead Economist, Western Balkans, World Bank

## **14:00 – 15:15 Smart infrastructure & digital connectivity**

### **Overview:**

Modern infrastructure and digital connectivity are essential to Montenegro's ambition of becoming a logistics and data-driven hub for Southeast Europe. This session will explore how investments in ports, airports, data centres, digital platforms, and smart mobility solutions can increase competitiveness, attract FDI, and accelerate EU market integration.

### **Speakers:**

- **Stevica Čarapić**, Regional Managing Director, MSC Mediterranean Shipping
- **Veselin Pejović**, Owner, Uniprom
- **Mark Vasić**, Head of International Regulatory Affairs, Deutsche Telekom

## DAY 2: Sectoral Engagement & B2B

---

15 October 2025

### 08:00 – 09:00 Registration & networking

### 08:00 – 9:30 Strategic Investor Roundtable (SIR)

#### Overview:

The Strategic Investment Roundtable will bring together leading companies and key private sector representatives across priority sectors—renewables, agribusiness, tourism, digital, and transport—alongside chambers of commerce to exchange views on Montenegro's recent progress and identify the most pressing policy priorities for accelerating investment. The discussion will culminate in a short review document capturing shared recommendations to guide future reforms and strategic dialogue.

### 9:30 – 11:00 Incubation & startup ecosystem – Towards a Station M

#### Overview:

Startups and innovation ecosystems are vital for diversifying Montenegro's economy and driving high-value job creation. This panel will explore how to build a supportive incubation environment, leverage global best practices, and attract venture capital for early-stage, tech-driven companies.

#### Speakers:

- **François Hoehlinger**, Managing Director France, Plug and Play Tech Center
- **Žan Dapčević**, CEO and Co-Founder of Academia, IBEX Equity Partners
